# Student Code of Conduct

#### **Purpose**

The Student Code of Conduct sets out expectations for all students enrolled at UHI and partners. All students are expected to conduct themselves in an appropriate manner to other students, staff and external organisations.

A breach of the Student Code of Conduct will be treated as misconduct and dealt with using the Student Disciplinary Procedure. UHI and partners aim to act reasonably in dealing with alleged or actual student misconduct. We seek to balance the interests of all students, staff, local communities, businesses and other organisations with whom we seek to maintain good relationships.

## Conduct that is expected of students

Students are expected to observe the Student Code of Conduct throughout their studies. The Student Code of Conduct applies to behaviour in both physical and online environments. Students are expected:

- + To take responsibility for their own actions and conduct;
- + To behave in a manner that fosters respect and understanding between all members of our community;
- + To act within the law and not to engage in any activity or behaviour that is likely to bring UHI and partners into disrepute;
- + To value the good relationships UHI and partners have with local communities, businesses and other organisations;
- + To avoid behaving or communicating in ways that are likely to cause offence, e.g., using abusive or obscene language or engaging in discriminatory or anti-social behaviour;
- + To treat all UHI and partner property with care;
- + To comply with requests of members of staff;
- + To adhere to health and safety policies and protocols (including fire alarms) and to comply with any temporary changes during maintenance and repairs

# Reporting suspected breaches of the Student Code of Conduct

Students can report suspected breaches of the Student Code of Conduct to any member of staff. Should the report be of a personal or sensitive nature, students can discuss the issue with a member of staff they trust or speak to a representative from the Highlands and Islands Students Association (HISA).

Students should remember that making vexatious or malicious allegations is a breach of the Student Code of Conduct.

## Action that will be regarded as misconduct

The table below sets out examples of behaviour that will be regarded as misconduct. These behaviours could be verbal, physical or written, in person or online. The list is not exhaustive and action may be brought against other unacceptable behaviours. Where there are reasonable grounds for suspicion that a student has breached the Student Code of Conduct, staff can take appropriate action to investigate.

#### **Gender Based Violence**

Gender based violence (GBV) is a function of gender inequality and is normally an abuse of male power and privilege. It takes the form of actions that result in physical, sexual and psychological harm or suffering or affront to human dignity, including threats of such acts, coercion or arbitrary deprivation of liberty, whether occurring in public or private life.

While it is acknowledged that gender based violence mostly affects women and that predominantly men are the perpetrators, it may impact individuals of any age, gender, sexual orientation, faith or ethnicity.

- + Domestic abuse (including coercive control)
- + Stalking
- + Harassment or any unwanted conduct which has the purpose or effect of violating the dignity of an individual, or creating an intimidating, hostile, degrading, humiliating or offensive environment for them, relating to their gender, sexual orientation or gender identity.
- + Rape and sexual assault
- + Child and childhood sexual abuse
- + Commercial sexual exploitation, including prostitution, pornography and trafficking
- Female genital mutilation
- + Forced and child marriages
- + Abuse by other family members, so called 'honour-based' and dowry-related violence crimes
- + Threats of such acts, coercion or arbitrary deprivation of liberty, whether occurring in public or private life

Gender based violence is not condoned by UHI or partners. We are committed to working in partnership with relevant local organisations to support victims of gender based violence, including assisting victims to report suspected crimes to the police. Allegations or incidents of gender based violence may also be treated as a breach of the Student Code of Conduct and relevant procedures followed.

#### **Precautionary Action**

In the event of an allegation of misconduct, a student may be excluded until the investigation is completed if there is risk of harm to themselves, other students or staff.

During this time they will be able to continue to study remotely and will receive any student support funds they are entitled to. This precautionary action is not a punishment but is intended to protect the interests of all parties.

#### **Disciplinary Action**

Following an investigation disciplinary action that may be applied include, but are not limited to: written apology to the aggrieved party; compulsory attendance at a workshop/coaching session; restrictions/conditions on attendance; verbal warning; written warning; fines for wilful damage, theft or nonreturn of equipment; exclusion from the course; deregistration (postgraduate research students); removal of university award; permanent exclusion from UHI and all partners.

The disciplinary action applied will be proportionate and take full account of the individual circumstances of the misconduct.

Multiple or repeated incidents of misconduct may be more serious than a single act of misconduct, and previous incidents may be taken into account when determining what disciplinary action should be applied.

Depending on the disciplinary action applied, students risk losing entitlement to student support funds and may be liable to pay their tuition fees in full.

# Alleged misconduct which may constitute a criminal offence

Where alleged misconduct may constitute a criminal offence, UHI and partners will use the following principles:

- 1) The criminal process will take priority and any internal disciplinary procedure will be suspended until further guidance is received from the police.
- 2) Precautionary action will be considered using the Safeguarding Procedures. This involves a risk assessment which may result in reasonable and appropriate action being taken e.g. imposition of conditions, exclusion from some or all, UHI and/or partner premises, and/or removal of access to services.
- 3) Where necessary, appropriate support will be provided to all parties involved in the incident.
- 4) Irrespective of the outcome of the criminal process, UHI and/or partners may consider the alleged misconduct as an internal disciplinary matter.

With respect to 4), where a student is convicted of or cautioned or warned for a criminal offence, this may be relied upon as evidence in any disciplinary proceedings provided that the circumstances leading to that conviction are directly relevant to the allegation. Any sentence or order pronounced by a court may be taken into account in the imposition of any sanction.

### Professional Standards and Fitness to Practise

Students on courses accredited by a Professional, Statutory and Regulatory Bodies (PSRB) are also subject to the professional standards and/or Codes of Conduct issued by the PSRB. The student will be advised if this is applicable at the start of their course.

Any breach of the Student Code of Conduct or professional standards may be reported directly to the PSRB and/or trigger a Fitness to Practise procedure.

This may lead to a student being withdrawn from their course, dismissed from their job, barred from employment in that profession, and/or a criminal investigation.
